# Type Approval Certificate

**Ratings** As per VOSS Fluid valves product range catalogue.

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid Certificate.

**Previous Version:** 15/20087

The Design Appraisal Document HTS/ENS 33231-15, Issue No. 1 and its supplementary Type Approval Terms and Conditions form part of this Certificate.
